SECURECARE

NOW AVAILABLE FOR **$14.99** A MONTH *BILLED ANNUALLY*

PER DEVICE

INCLUDES:

- ## MALWAREBYTES THREATDOWN ANTIVIRUS

This next-gen antivirus software uses the cloud to protect your computer from ransomware, malware, and viruses. This state-of-the-art security system allows us to mitigate threats and neutralize them remotely.

For our existing Malwarebytes subscribers, upgrade to SecureCare for under $11 a month!

- ## 2 REMOTE SYSTEM CHECKUPS WITH PRIORITY SERVICE

We recognize the importance of keeping your computer healthy, up-to-date, and running smoothly. With our plan, you get 2 remote system checkups annually and you become a priority customer, which puts you ahead of the queue.

- ## 2 HOUR GUARANTEED REMOTE REPONSE TIME

In this industry, problems often occur at the most inconvenient times. As a valued member of our plan, we guarantee that one of our technicians will respond remotely in a 2-hour window during business hours.

If additional repairs or services are required beyond the scope of SecureCare, standard labor rates will apply for in-store, remote, and onsite services. Our 2-hour response time does not guarantee we will be able to fix the issue in said time frame. Requires an internet connection. A monthly service charge of $2 will be applied to accounts not choosing an annual plan.
